RE: 480-2014-03014

Dear Mr. Sohn:

Your closing analysis of my case remains incorrect. The points are enumerated as:

- 1) Salutation error in letter of response,
- 2) Protection order retaliation from UCR 5/16/14 last occurrence rebuts 180 day and 300 day analysis of EEOC Intake Officer John Sohn,
- 3) Documents for Law Suit Directory contains–Sohn, Sohn2 and Sohn3 not inspected with response for claims in Sohn3 October 2/3 documents,
- 4) Appeal performed by same officer that performed the original adjudication named John Sohn and the appeal was performed by the same,
- 5) Charge 2 described in EEOC Form 5 remains an ongoing concern for all annuitants,
- 6) There is one exception to the 180/300 day general rule and “that is if you are alleging ongoing harassment” e.g. by a Protection Order explained in documents.

Sincerely,

Brett D. Fleisch, Ph.D.
