Background

Thailand is one of the most prominent nations of South East Asia. Its northern provinces are **bordered** by Burma (1,800km) to the north and west, Laos (1,754km) to north and east, Cambodia (803km) to the south east. It's southern provinces, meanwhile, occupy the spine of the Malaya peninsula, where Malaysia (506km) borders it in the south. One of the largest nations in terms of **surface area** in the region, it's **population** of 66.7 million makes Thailand the 21st most populous nation.
